SGG MIRALITE® ANTIQUE

Decorative silvered glass

Description

SGG MIRALITE ANTIQUE is a decorative silvered glass, which resembles antique mirror. This effect is achieved during manufacture by varying the regularity of the metallic deposits.

Erudict, Brussels, Belgium • Architect : M. de Maeseneer • SGG MIRALITE EVOLUTION

Applications

SGG MIRALITE ANTIQUE is suitable for a large number of interior applications:

- Communal areas of shared public and private buildings: entrance halls, landings, lifts
- In the home: wall panelling, furniture cladding, interior fittings
- Bars, restaurants, hotels, cinemas and theatres
- Shopping centres, boutiques.

Advantages

Originality of decoration

SGG MIRALITE ANTIQUE adds a touch of sophistication to interiors.

Softened reflection

SGG MIRALITE ANTIQUE creates a gentle, warm reflected light.

Appearance and safety

SGG MIRALITE ANTIQUE can combine decoration with safety by applying a safety film backing to the reverse side of the mirror. Available also on request

Processed Product Variations

Possible forms of processing include:

- Cutting (in the same way as clear silvered glass). It is advisable to place the sheets on a clean cutting table to reduce the risk of scratches
- Edgeworking
- Drilling.

SGG MIRALITE ANTIQUE is also available with a safety film applied to the reverse side of the glass.

Installation Guidelines

SGG MIRALITE ANTIQUE must only be installed indoors and in accordance with current national regulations and good practice. As a general rule it is installed like a conventional mirror.

Standards and Regulations

SGG MIRALITE ANTIQUE is a high quality decorative silvered glass which is resistant to corrosion. It complies with the requirements of standard BS EN 1036.

SGG MIRALITE ANTIQUE will receive CE marking when officially in force.
